WELD PROJECT CONNECT 2026

Frequently Asked Questions

Q. Where can I find drinking water?

A. Volunteers will be roaming the Events Center with carts of bottled water. There may be bottled water left in the Exhibition Building after lunch. Feel free to bring a reusable water bottle if you are willing to carry it all day.

Q. What are the bus schedules?

A. All GALLOP (Greeley-Evans Transit) Buses are FREE on the day of the event. Buses will run normally and drop off Guests at the intersection of 14th Ave and D St. Return buses will pick up in the same location.

Q. Can I take pictures?

A. No. Photography is not permitted except by the Weld Project Connect Outreach Team.

Q. What do the colors mean?

A. Weld Project Connect uses two color-coding systems: Shirts and Neighborhoods. Shirt colors tell you what role each volunteer is performing:

- **Gold** shirts are Navigators
- **Purple** shirts are Service Providers
- **Red** shirts are Area Leads
- **Pink** shirts are members of the Steering Council

Services are grouped into Neighborhoods, and each Neighborhood has a color which corresponds to the Intake Form:

- **Red** Neighborhood - Documentation and Human Services
- **Blue** Neighborhood - Health & Wellness
- **Green** Neighborhood - Education
- **White** Neighborhood - Community Assistance

Q. Can Navigators receive services?

A. Once a Navigator has completed their duties, they must change out of their Gold shirts (or turn them inside out) and join the Guest line.

Q. Where are the restrooms?

A. Restrooms are in the front of the Exhibition Hall near the guest entrance and in the Events Center off the Main Lobby. They are also available in the southwest corner of the Event Center, in the 4H Building, and in the Exhibition Hall.

Q. What is the process for visitors or those not serving as volunteers?

A. All visitors are to check in at Event Services Office located in the lobby of the Events Center. No one is to be unescorted. Please help us maintain this process.

Q. What are students from Greeley West High School volunteering as?

A. The Greeley West High School IB-Programme Spanish classes are volunteering this year as translators. If you are a Navigator who only speaks English, there is a chance you will be paired with one of these students who will help translate for a guest who speaks Spanish. These students will be in gold Navigator shirts with blue lanyards. As they are minors, they cannot Navigate alone.

Q. What if a Navigator or guest needs access to the WiFi for the QR Code System?

A. Island Grove has free WiFi available, with no password. You may use the WiFi network “Allo Free Wi-Fi” to connect to the internet.
