## Leadership Giving

Leadership givers are United Way of Weld County's most generous supporters. Through contributions of \$750 or more these kindhearted philanthropists set an example for others. We invite you to join the United Way of Weld County Tillers Club. Tillers Club members receive recognition for their support in a variety of United Way printed materials, networking opportunities and invitations to special and exclusive events throughout the year. A leadership level contribution to United Way may be an individual contribution or a combined gift with another person (spouse, family member, significant other, etc.)

Young Leaders Society	\$500 or more	Cultivator	\$2,000 to \$4,999
Sower	\$750 to \$999	Harvester	\$5,000 to \$9,999
Planter	\$1,000 to \$1,999	Tocqueville Society	\$10,000 or more

Tillers Club members who make a three year commitment of \$2,000 per year are also recognized as members of the KWM Society which was established in 1999 to honor United Way's very first Humanitarian of the Year, Kenneth W. Monfort.

## Young Leaders Society

The United Way of Weld County Young Leaders Society's purpose is to recognize and engage young business and civic leaders, between the ages of 18 and 40, through education, leadership opportunities and social events throughout our community. The members of the Young Leaders Society are recognized as altruistic "Young Leaders" in their company and community and receive membership benefits of United Way of Weld County's Tillers Club (see Leadership Giving Program for details).

YLS members make annual gifts of \$500 (an individual or combined gift) to benefit United Way's mission to improve lives in our community through lasting change.

## Loyal Contributors Program

Loyal Contributors are individuals who have given to United Way for 10 years or longer. This does not have to be continuous support or to any one United Way. These long time givers, regardless of their level of contribution will be especially thanked and recognized during the United Way of Weld County Community Campaign. This unique group of donors will receive communications at least twice a year to inform them how their support is being effectively used and to encourage their engagement in our work. Let us know how long you have been giving to United Way on the other side of this form. Thank you!

## Investment Guide

Your contribution is an investment in our community.  
Whatever you choose to give ...**THANK YOU!**
