

YOU can be part of volunteer-powered positive change!

Join hundreds of your friends, neighbors and colleagues on Saturday, September 11 - 8:00 a.m. to noon for an all county morning of volunteering. Your group might add a fresh coat of paint to a local agency, OR build food boxes for the hungry, among other projects.

DAY OF CARING 9.11.10 is your chance to make a lasting impact in our community. Be part of this fun morning of community service by volunteering to help the needs of nonprofits in Weld County and the clients they serve.

"To spend only four hours on a Saturday to make a difference and learn about the hardships that some are facing, it is without a doubt one of the best ways to see why an investment in United Way is crucial to our community. The agencies are overextended and more than ever need help from the community they serve." - Board member Roy Otto
