

# WHEN YOU GIVE A LITTLE, IT MEANS A LOT.

Instead of buying a  , you can help a single mom find childcare she can trust. Instead of going to dinner and a  , you can buy medication for a child without insurance. Instead of buying new  , this week you could buy 13 senior citizens a year's worth of hot meals. Instead of buying another  , you could help teach a child to read.

**Give a little, give a lot, give what you can.
