If every adult in Weld County gave just \$5, we'd have enough to help everyone who needs it.

Unfortunately, 95% of adults in Weld County don't contribute anything at all to United Way. At the same time, 25% of adults and families rely on services through United Way every year.

That's why every contribution counts.

Whether you give \$1 or \$10,000, you're making an investment in your community - where people achieve great things but never forget the needs of others.

3 REASONS TO GIVE TO UNITED WAY OF WELD COUNTY

1. When you donate to the United Way Community Care Fund or targeted need areas, 100% of your gift goes to help people in our community.
2. We take the responsibility of investing your gifts seriously: local volunteers review programs annually and hold our partner agencies to strict accountability standards. We never forget that you trust us to make wise decisions.
3. Over 82,000 men, women and children in Weld County were helped in 2010. YOUR United Way is a leader and trusted partner for a county that cares.

Your gift goes far, but never far away.

It stays right here in Weld County making life better for your friends, relatives, co-workers and maybe even you.

Your donation can change a life.

Your gift is invested into agencies, programs, and initiatives that create opportunities for local people to have access to:

- **BASIC NEEDS** like food, shelter and essentials for the most vulnerable people in our community
- **OPPORTUNITIES** that prepare young children for school, encourage teens to graduate and stabilize families
- **STRATEGIES** that prevent problems from happening in the first place and create lasting change

UNITED WAY OF WELD COUNTY...
 improving lives by mobilizing the caring power of our community.

FOR EVERY SENIOR WHO'S ENJOYING RETIREMENT, **THERE'S ONE WHO CAN'T LIVE INDEPENDENTLY ANYMORE.**

United Way knows that seniors have better quality of life if they stay in their own homes. It also happens to be more cost effective. Thanks to your generosity seniors in our community have access to help with daily living and activities that can stop potential isolation and depression. We make it possible for seniors to live alone without being alone.

UNITED WAY SUPPORTS SIXTEEN PROGRAMS THAT PROVIDE SENIORS WITH RESOURCES, FOOD AND HELP.

FOR EVERY FAMILY THAT'S ORDERING A PIZZA, **THERE'S ONE WONDERING IF THEY CAN AFFORD GROCERIES THIS WEEK.**

Today's families are facing tough times – a challenging economy, increasing costs of everything from a gallon of gasoline to child care. The reality is with limited take-home pay it's tough to make ends meet. United Way works to see that families and individuals have the opportunities that everyone hopes for.

MAKING POSITIVE CHILDHOOD POSSIBLE

FOR EVERY CHILD WHO LOVES A BEDTIME STORY, **THERE'S ONE WHO DOESN'T KNOW THEIR ABC'S WHEN THEY ENTER KINDERGARTEN.**

Your United Way is focused on children being ready to learn when they enter kindergarten. When children have a good foundation of education and supervision they have a much better chance of graduating from high school, continuing their education and succeeding as adults. Stand up for children and you stand up for a strong and vibrant community.

UNITED WAY SUPPORTS SEVENTEEN EARLY CHILDHOOD PROGRAMS TO PREPARE CHILDREN FOR SUCCESS.

MAKING INDEPENDENT LIVING POSSIBLE

MAKING FINANCIAL STABILITY POSSIBLE

FOR EVERY FAMILY THAT IS PLANNING A VACATION THIS YEAR, **THERE'S ONE WHO CAN'T AFFORD TO PAY RENT THIS MONTH.**

Despite hard work and good values hundreds of families in our area are barely making ends meet. Some have to choose between food and medicine at the end of the month, trying to raise healthy and happy families in highly stressful situations. United Way supports people who are rebuilding their lives. Our focus on self-sufficiency helps families become stable and thrive.
