Your donations help children learn to read. You make a difference so that teenagers stay on the right path and graduate. You help families and adults through crisis and move them to household and financial stability. Your generosity enables older adults to live independently in their home and receive support services.

We thank you for your generosity and passion in making Weld County a better place to live. Your gift continues to help people throughout the county, and we could not assist our neighbors without your support. Thank you for making it happen.

Leaders in Giving - The Tillers Club

Leaders in Giving, Tillers Club members, invest an annual gift of $750 or more. They play a vital role in the work of United Way as it invests in programs and services targeting our most critical community issues. Contributions may be paid in cash, check, credit card, payroll deduction, ACH, stock, significant in-kind giving, or by direct bill.

Regardless of level, Tillers Club members help United Way of Weld County fulfill our mission of improving lives by mobilizing the caring power of our community. Help lead the way by giving at one of the leadership levels and change the lives of children, youth and families in Weld County.
