WE ARE ALL IN THIS TOGETHER

With your support, we are changing the lives of many. Together we are the problem solvers, the hand raisers, the game changers.

YOU LIVE HERE. YOU GIVE HERE. IT STAYS HERE.

UNITED WAY OF WELD COUNTY turns your contribution into real change!

When you donate to United Way of Weld County (UWWC), you join thousands of committed people serving as passionate champions for positive local change. Your gift fuels actions that improve lives, lifts up our neighborhoods and makes success a possibility.

Every day, in all corners of Weld County, individuals struggle with hard to ignore obstacles: Child Care. Hunger. School Readiness. Lack of a Role Model. Homelessness. Mental Health. Unemployment. Proper Care for Older Adults. Health Care. If families are struggling, they can’t prepare for the future.

UWWC offers hope by finding solutions to some of our most critical problems. We work to ensure:

• that every child is ready for school by the time they enter kindergarten and are reading at grade level by the beginning of fourth grade.

• that every youth has the development opportunities and skills they need to graduate from high school and to prepare for the workforce.

• that every family can meet their basic needs for attaining and maintaining stable housing.

• that every older adult has a health-giving place to live for aging well in community.

• that every person can connect with the human services that they need for a meaningful life.

We can only do this work with your help.

Your donation to UWWC supports children, youth, adults, families and older adults in your community — your neighbors, co-workers and friends. Your dollars go further with UWWC because we bring individuals, organizations and corporations together in a collaborative and coordinated way to achieve greater results, and to create positive, measurable and permanent change.
