## Cornerstone Partners

To ensure your donation goes directly to programs and services helping children, youth, families and older adults, these companies and organizations donate all or a portion of their annual contribution to help cover 100 percent of our administrative and fundraising costs for the resources under our management.

YES, we want to be a Cornerstone Partner

Please provide us with information about becoming a Cornerstone Partner

Our organization does not wish to be a Cornerstone Partner.  
I understand that a 17.5% administrative fee will be deducted

Cornerstone Partners are companies and foundations who choose to direct all or a portion of their corporate contributions to administrative and fundraising expenses. Partnership requirements include an annual gift valued at \$5,000 or more which covers the cost portion of the United Way budget. The gift can be cash or in-kind. In-kind donations must replace an operating expense.

This special recognition program ensures that money donated by individuals goes to help people. United Way does have administrative and fund raising costs. By extensively using volunteers, we are proud to report that our administrative and fundraising cost is 17.5% and is among the lowest of most major charities and agencies in our community. Each year, Cornerstone partnerships lower this cost.
