Running a workplace giving campaign is a great way to engage your employees and co-workers to make an impact in our community. And by partnering with United Way you are ensuring that their contribution not only stays in our community, but also will be put to the best use possible.

Everyone Benefits From Giving

Beyond the clear benefits of helping those in need and aiding us to develop solutions for long-term change, there are many reasons why a workplace giving campaign is beneficial for your organization.

Corporate Recognition
Your support is acknowledged by United Way providing positive exposure for your organization, which can help your marketing, recruitment and retention efforts.

Invest Locally
The funds we receive are invested locally to create lasting change, the money you and your employees contribute is a direct link to the community, making it a better place to live, work and do business.

Extremely Efficient
Contributions can be deducted directly from employee’s payroll.

Focus Your Efforts
Allows employees to give to a single organization that contributes to a variety of causes.
