Invitation to Make a Difference

**How will you make your community
a better place for us all?**

Together we are building a better Weld County, one where children are reading to learn by the start of 4th Grade, youth are working at good jobs by age 25, families have stable housing, older adults are aging well, and people are connecting to the help they need.

We can and we are accomplishing more together. You impact the lives of our more vulnerable Weld County residents. When you invest in United Way of Weld County, you are helping a friend, neighbor or even a family member.

Reading Great by 8: Building the foundation for early childhood success

- Impact: Children are entering Kindergarten ready and reading at grade level by the start of 4th Grade.
- For their life success, it is vital that children are reading well by the beginning of 4th Grade.
- Early childhood is the most important period of a person's development where basic needs are most critical.

Thrive by 25: Connecting youth to caring adults

- Impact: Youth are graduating high school and transitioning to a successful adulthood by age 25.
- For their life success, it is critical that youth have an adult to go to for support when they are facing a significant challenge.
- This caring connection increases mental health and makes it more likely that each youth graduates high school.

Weld's Way Home: Preventing and ending homelessness

- Impact: Households are attaining and maintaining stable housing.
- For their life success, it is fundamental that each individual or family has stable housing which leads to better physical and mental health, employment stability and other outcomes.
- Services focused on ending homelessness cost the community less than managing people in homelessness.

Ageing Well: Helping older adults age well in our community

- Impact: Older adults are living full and productive lives.
- For their life success, it is key that older adults have the support that they need to age well in the community of their choice.
- As people live longer, more assistance specifically for older adults is needed. This situation is difficult for many households and can be costly for our community.

Connecting Weld: Linking people to the help that they need

- Impact: Human services are increasing in visibility, accessibility and capacity.
- For their life success, it is urgent that people facing a life-changing experience connect with supportive resources as quickly as possible.
- The faster we can connect families facing a livelihood emergency to those that can help, the more likely each family will maintain housing, employment, school enrollment, health and more.

How will you make Weld County a better place for us all?

Through donating money and volunteering time, you can help create a better Weld County for us all. You can donate:

- every pay period through payroll deduction at your workplace
- one-time or monthly by visiting www.UnitedWay-Weld.org/Donate
- \$500 or more per year as a Leadership Giver—visit www.UnitedWay-Weld.org/Leaders for details, benefits and special incentives
- via an estate, planned or larger one-time gift

Tax credits may be available for donations made by cash, check, credit card or direct bill.* Donations to United Way's Housing Navigation Center qualify for a 25% tax credit. Donations to United Way's Child Care Fund get a 50% tax credit. This is in addition to regular state and federal tax deductions. To get the credit, note your wishes on your pledge form, check, or in the designation section of your online contribution. The state requires the last four digits of your social security number or a FEIN when a donation is made.

Plus, there are numerous volunteer opportunities that you can participate in. Find out more at www.UnitedWay-Weld.org/Volunteer.

Contact United Way Donor Engagement at 970-353-4300 or UWWC@UnitedWay-Weld.org with questions. **Thank you for your commitment to our more vulnerable Weld County neighbors.**
