

Why United Way?

At United Way, our greatest strengths are building connections and bringing partners together to get the work done. We are guiding community vision and strategy, building public will, investing in evidenced based programming and mobilizing funding.

It's partnerships.

United Way convenes and facilitates communications between partners to prevent duplication of efforts and to identify gaps.

It's local.

Your money stays in your own backyard. The money you donate to United Way supports local people and programs. Dollars raised in our community, stay in our community.

It's easy.

There are many valuable nonprofit organizations in the area that you may care about. United Way provides an opportunity for your one gift to support all or some of those nonprofits and causes. And we make it easy with multiple ways to donate, including online, payroll deduction, check, credit card, or paypal.

“

My favorite thing about United Way of Weld County is that they don't wait for the problems to become so very apparent that we already have a community wide issue - they are proactive and find answers to concerns that the community has before it becomes a real problem!

Invest in What Works

A gift to United Way of Weld County is an investment that benefits the entire community.

“

We've always felt like a donation to United Way is the best way to impact our community. United Way makes the most of every donation and assists so many through the many organizations that they fund.

- Steve and Teresa Baker

\$10 a week can provide rental assistance for a family to stay in their home.

\$7 a week can provide one-on-one after-school mentoring for a local student to improve their grades.

\$5 a week can link six 211 Colorado callers to get the help that they need.

\$3 a week can provide four older adults with the support they need to remain independent.

\$2 a week can provide a family with a month of diapers for their child.
